**TRENDS**  
**2015**

*Gaze into the future, as we give you a tantalising glimpse of 12 predictions that we foresee unfolding in the coming year. Through eight compelling pages, we combine colours, patterns and materials, creating textured looks and finishes along with a melange of graphics as well as accents. On the occasion of our 14th anniversary, we present unconventional design statements that will promise you a style advanced and modern home....*

# 6 *memphis movement*

*Timeless and geometric, the revolutionary 1980s' design movement has been appreciated for decades. Clashing colours, blocky shapes and loud patterns layer and find harmony within staid spaces, as whimsical is the way to go.*
