**Kartell Goes Sottsass:  
A Tribute to Memphis, by Kartell**

Kartell's homage to the late Ettore Sottsass – and the Italian designer's signature colourful geometric forms – is a collection of previously unreleased vases and stools designed in 2006. The range also includes a series of chairs in distinctive fabrics by Sottsass and fellow Memphis designers. All will be on show at Kartell's debut London flagship store when it opens at the end of January. ★
